These are High School athletes who are performing here tonight. They are friendly rivals as member of opposing teams, they are not enemies. This, basically, is the theme of interscholastic athletics -- friendly competition. The visiting team tonight, and in every interscholastic contest, is a guest of the home team. They are expected to be so regarded and so treated.

The officials are men, who by agreement between the competing teams, are assigned to administer the rules of the game. Their experience and their integrity qualify them for their part in this friendly interscholastic contest. This attitude of sportsmanship should be reflected by all spectators also, no matter what their personal feeling of loyalty may be for one or the other of the other teams in tonight's contest.

We would like to inform fans from both school that _____ ISD is a smoke-free, alcohol-free, and drug-free district. These products are not allowed on any school campus.

We would like to inform both the parents and children that children are not to be running around the stands or concession stand during the game. For the safety of the children, as well as adult supporters of our teams, we ask that the children remain seated. Thank you for your assistance and support.
