# A LETTER FROM THE SCHOOL NURSE

Dear Parents:

Head lice is one of the nuisances that parents of school-age children occasionally find themselves dealing with. The head louse has been around for thousands of years and affects between 6-12 million people in the U.S. each year. It is the second most common childhood afflictions, after the common cold.

Boling ISD handles head lice according to the following guidelines:

- Individual head checks are performed on an as need basis.
- Parents are encouraged to periodically check their student for nits (lice eggs), which would indicate the presence of an adult, egg-laying louse. (Nits appear as small, clear-whitish or brown ovals attached firmly to the hair shaft. The eggs are usually laid on the hair behind the ears or at the nape of the neck. Adult lice may be found scurrying about the crown of the head).
- Parents are encouraged to pick up and treat the student as soon as possible. Many over the counter (OTC) treatments are available. Thorough treatment includes combing through the hair with the special comb and removing as many of the nits as possible.
- Students may return to school as soon as one treatment has been given.

If you have any questions, please call Mrs. Nicole Folmar, School Nurse at 979-657-2837.

# COLLEGE BOUND INFORMATION

## THEA TEST REQUIRED FOR COLLEGE-BOUND STUDENTS

In accordance with Texas Education Code 51.306, the Texas Higher Education Assessment (THEA) requires all students entering Texas public colleges or universities as freshmen to be tested to determine college readiness in reading, writing, and mathematics. THEA requires that students who are found deficient in any of these areas be offered remediation (at the student's expense). Students who do not pass all three tests cannot enroll in college level "core" academic courses until they complete remediation and pass the test they had failed initially.

The cost of the test is **\$29.00**.

High school seniors who wish to take the test before graduation must meet the following conditions:

1. They must have already passed the Exit Level TAKS test.
2. They must register for the test at least one month in advance

Registration bulletins are available in the high school counselor's office. Anyone with questions, please call the counselor, Mrs. Kate Harrison at 979-657-2816.

Dear Parent/Guardian:

**Children need healthy meals to learn. Boling ISD offers healthy meals every school day. Breakfast is free to all students; lunch costs \$2.50 for Boling High School and Iago Junior High School students. Lunch is \$2.35 for Newgulf Elementary students. Your child may qualify for free meals or for reduced-priced meals. Reduced price is .40¢.**

1. **Do I need to fill out an application for each child?** No. Complete the application to apply for free or reduced-price meals. **Use one Free and Reduced-Price School Meals Application for all students in your household.** We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to the appropriate campus.
2. **Who can get free meals?** Children in households receiving Food Stamps or TANF can get free meals regardless of your income. Your benefit letter from the Texas Health and Human Services Commission (HHSC) is your documentation for free meals. If you have not already received a letter from your school stating that your household is eligible for free meals, you may take your HHSC benefit letter to your child nutrition office to be certified for free meals. Call the campus if you have questions.
3. **Should I fill out an application if I got a letter this school year saying my children are approved for free or reduced-price meals?** In most cases no, however read the letter you got carefully and follow the instructions. Call the campus your child attends if you have any questions. If your household does not receive Food Stamps or TANF, your children may still be eligible to receive free meals if your household income is less than the amounts listed on the federal Income Eligibility Guidelines. Please complete the application and submit it to your child nutrition office. Head start students and most foster children may also qualify for free meals.
4. **Can homeless, runaway and migrant children get free meals?** Yes. If you have not been notified of free status under these categories, please call **Boling ISD Central Office, Wade Stidevent at 979-657-2770** to see if your child(ren) qualify.
5. **Who can get reduced price meals?** Your children can get low cost meals if your household income is within the reduced-price limits on the Federal Income Chart, included in the application packet.
6. **I get WIC. Can my child (ren) get free meals?** Children in households participating in WIC may be eligible for free or reduced-price meals. Please fill out an application.
7. **Will the information be checked?** Yes, we may ask you to send written proof.
8. **IF I don't qualify now, may I apply later?** Yes. You may apply at any time during the school year if your household size goes up, income goes down, or if you start getting Food Stamps, TANF or other benefits.
9. **What if I disagree with the school's decision about my application?** You should talk to school officials. You also may ask for a hearing by calling or writing: **Charles V. Butcher, Superintendent; P O Box 160 Boling TX 77420 or at 979-657-2770.**
10. **May I apply if someone in my household is not a U. S. citizen?** Yes. You or your child (ren) do not have to be a U.S. citizen to qualify for free or reduced-price meals.
11. **Who should I include as members of my household?** You must include yourself and all people living in your household, related or not (such as children, grandparents, other relatives or friends).
12. **What if my income is not always the same?** List the amount you normally receive. For example, if you normally get \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. If you normally get overtime pay, include that amount as income. If you do not normally get overtime pay, do not include it as income.
13. **We are in the military, do we include our housing allowance as income?** If your housing is part of the Military Housing Privatization Initiative, do not include your house allowance as income. All other allowance must be included in your gross income.

**\*Privacy Act Statement: Unless you list the child's Food Stamp or TANF case number, Section 9 of the National School Lunch Act requires that you include the Social Security number of the household member signing the form or indicate that the household member signing the form does not have a Social Security number. You do not have to list a Social Security number, but if a Social Security number is not listed or an indication is not made that the adult household member signing the form does not have a Social Security number, we cannot approve the form. The Social Security number may be used to identify the household member in verifying the correctness of information stated on the form. This may include program reviews, audits and investigations and may include contacting employers to determine income, contacting a Food Stamp or TANF office to determine current certification for Food Stamps or TANF benefits, contacting the state employment security office to determine the amount of benefits received and checking the documentation produced by the**

household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported. The Social Security number may also be disclose to programs as authorized under the National School Lunch Act and the Child Nutrition Act, the comptroller General of the United States, and law enforcement officials for the purpose of investigating violations of certain Federal, State and local education, health and nutrition programs.
